The training program has been designed by experienced professionals from EY with extensive knowledge and experience in AML/KYC. The program is delivered through a combination of online and offline training sessions and is designed to be flexible to accommodate the participants' schedules. The training sessions are interactive and provide participants with the opportunity to ask questions and engage in discussions.

The certificates awarded by EY upon completion of the AML/KYC training program will serve as valuable credentials for participants while applying for jobs in the financial sector and referrals offered by Hireyy. The certificates will demonstrate to potential employers that the participant has received industry-standard training from a global leader in assurance, tax, transaction, and advisory services. The certificates will also enable participants to assure negotiation at higher salary packages while applying for jobs.

The AML/KYC training program offered by Hireyy and EY is an excellent opportunity for individuals interested in pursuing a career in the financial sector. The program provides participants with the knowledge and skills to identify and prevent financial crimes. The certificates awarded by EY will serve as valuable industry experience and enable participants to negotiate higher salary packages while applying for jobs.
